

Hello,

This supplementary material includes the source code for all experiments mentioned in the paper. Each experiment can be reproduced by running the corresponding source code files, with reproduction instructions provided in the "ReadMe" file within each folder.

The contents of each folder corresponding to the paper are shown in the table below.

Folder Name	Folder Contents
Figure 4	Contains the experimental data for Figure 4 in the paper
Figure 6	Contains the experimental data for Figure 6 in the paper
Figure 7	Contains the experimental data for Figure 7 in the paper
Figure 8	Contains the experimental data forFigure 8 in the paper
Figure 9	Contains the experimental data for Figure 9 in the paper
Table 2	Contains the experimental data for Table 2 in the paper
